

Introducing your new Zion Ridge HOA Board!

We are very excited to introduce ourselves to you, and to take a moment to acknowledge and thank outgoing board members, Steve Brown and David Houston for their service to the HOA. We had our first conference call earlier this month to establish board/committee positions and set some action items for the future. One of the items we are very excited about is our plan to establish a webpage and quarterly newsletter as a means to enhance communication and keep homeowners informed of happenings in East Zion. We are also pleased to announce that the trash dumpsters have been moved!

Here are the election results:
