

Important information about Zion National Park

Hi All:

I'm very sorry for the last minute very notice, but one of your fellow homeowners just passed this information on to us and we wanted to share it with you, as time is of the essence. As you may or may not be aware, Zion National Park is considering requiring reservations for people to come explore the Park and are currently taking responses from anyone who would like to leave one. You can go to the website at:

[https://parkplanning.nps.gov/document.cfm?
parkID=113&projectID=58542&documentID=81614](https://parkplanning.nps.gov/document.cfm?parkID=113&projectID=58542&documentID=81614)

When you click on that link it provides you with more info as well as a link to place your comment. Another site with information is:

www.StopZionReservations.org

The deadline for comments is TOMORROW, 8/18/2017!

Our thanks go out to Shalyse Heaton for passing this information on to us!
